

LEEDS DAY PRESS RELEASE CLIENT LOGIN

Providing intelligent legal solutions

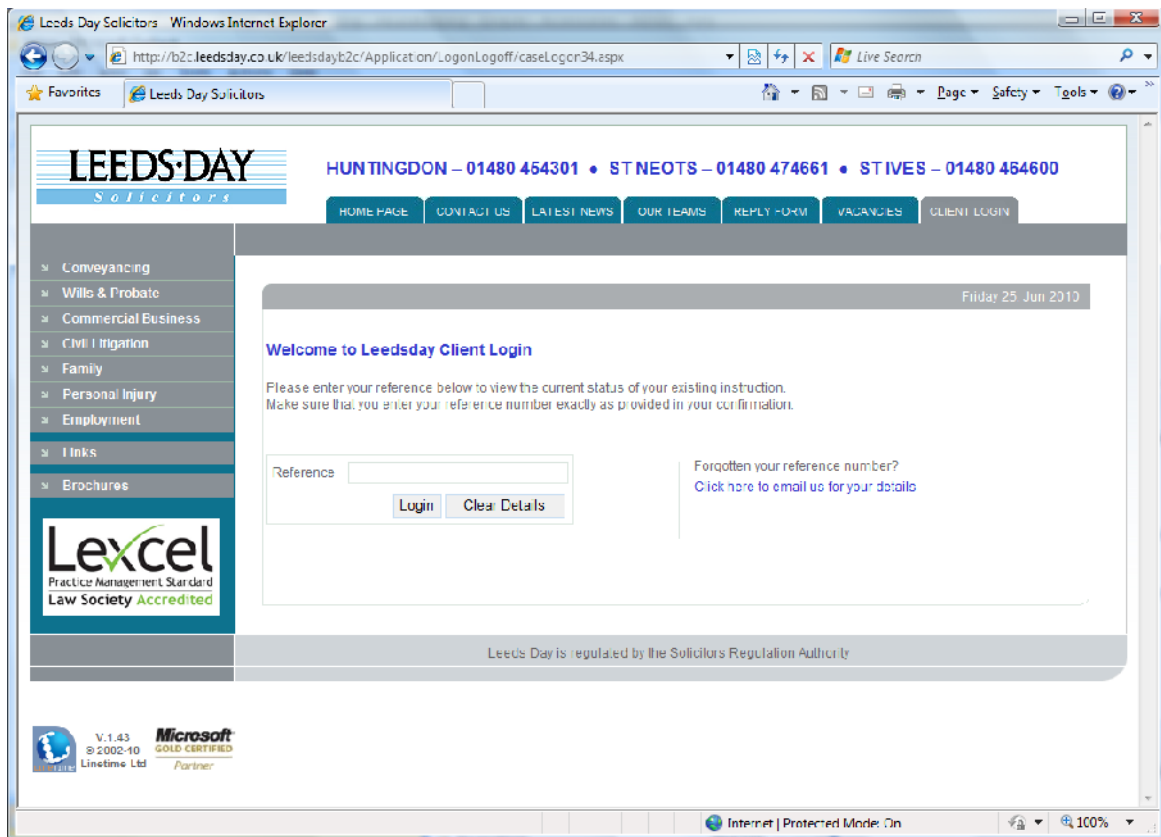

We are pleased to announce that Leeds Day clients are now able to access key information about their cases directly through our website.

This can be done by logging in using a unique reference number available only to the client.

Clients will be able to track the status of their case at any time and receive the latest progress updates.

You will also be able to email your fee earner directly

At present, only Family clients will have online access but we envisage rolling this service out across all our departments in the near future.
